Parent Organization Meeting Survey

The Parent Organization is very excited about the upcoming school year! It is a year of change at St. Joseph School. As we welcome Mrs. Hawley and Father John, we also start the year with a new Parent Organization – Patty Orton, Kara Duffy, Chrissy Shaughnessy, Tracey Arcieri and Nancy Murphy. We appreciate you taking the time to complete this brief survey so we can try to plan the year. It is very important that all parents realize they are crucial to the success of the Parent Organization and we value your opinions, thoughts and ideas. We hope that the use of on-line surveys may give us a good understanding of what is important to all the parents not just those able to attend meetings. All responses are anonymous, however if you wish to for a response to any of your questions please use the last question to tell us your name and best way to reach you.

Thanks again,

The Parent Organization
