

Dear Parents,

This letter is to inform you that a Physical Examination by the student's own physician is required within 6 months prior to entry into Preschool, Kindergarten, grade 4 and grade 7. Attached is a list of immunizations required by the state for each of these grades. These requirements are set to ensure not only your child's optimal health but also the health of your child's classmates.

Please try and schedule your child's physical during the summer months to ensure all appropriate forms are completed by **Friday, September 8, 2017.**

If you have any questions please feel free to call the school health office.

Best Regards,
